2. The meeting was called to order at 2005 CST by the Chair.

3. Reports

- a. GLR. Had not had a meeting since the last NCAC teleconference.
- b. NCR. Reported on their region cadet competition.
- c. SER. Reported on their Region Competition, the status of the milestone review board proposal, and the status of that region's face-to-face meeting.

4. New Business

- a. DDR discussion (Chair). C/Lt Col Stapf contacted the chair regarding the current involvement of cadets in DDR program. She wanted the council to discuss the issue. The NCAC feels that the DDR program may be an abused source of money in the Cadet program. We feel that cadet activity, and involvement in this program should be boosted. After discussing the issue further with C/Lt Col Stapf, the council is willing lend a hand.

5. Old Business

- a. Recruiting Goal (CAP/CC). The recruiting goal was tabled until the next meeting; C/Col Smith, who heads the committee, was not present at the meeting. C/Lt Col Robert Koehler was added to the committee to add support.
- b. Position Paper on CAC Ribbon (GLR). Voting on the position paper written by C/Lt Col Robert Koehler was tabled until the next meeting; too few members were present to vote on the paper.
- c. Position Paper on Magazine (GLR). Discussion and voting on the paper regarding the *Civil Air Patrol Volunteer Magazine* was tabled until the next meeting; the new issue of the magazine had arrived to individual members that day, and the council wanted to review the magazine to see if issues discussed in the position paper were handled in this issue of the magazine.

6. The next meeting is tentatively scheduled for 14 May 2006 from 2000-2100 Central Standard Time.
7. The meeting was adjourned at 2038 CST by the Chair.
